

Karcher WVP10 Advanced – Window & Surface Vacuum Cleaner

Variant code: 16-WVP10ADV

The professional window and surface cleaner, WVP 10 Adv, impresses with its streak free cleaning of flat surfaces. Designed for professional use, the robust and lightweight device is ideal for cleaning windows, tiles and table tops, plus a range of other flat surfaces. It has a large dirty water collection tank and can be used in a vertical and horizontal position, and even overhead thanks to its large non-return valve. The WVP 10 Adv, leaves surfaces and work spaces instantly dry and ready use straight away, taking liquid collection to a different level.

Features and Benefits

- Lightweight, ergonomic and universal – Suitable for all types of smooth surfaces – horizontal, vertical or even overhead. Comfortable handling and easy to operate. Safe, easy handling thanks to rubber handle.
- Removable, replaceable battery – Allows external battery charging and, in conjunction with a spare battery, uninterrupted working. Charging state is displayed by 3 LEDs above the ON/OFF switch.
- Convenient cleaning of edges – Streak-free cleaning results right up to the edges thanks to the manually adjustable spacer.

Kit includes:

Surface cleaning concentrate, 500ml spray bottle, microfibre indoor wiping cloth, microfibre outdoor wiping cloth, suction nozzle, battery, fast charging station, dirty water tank and dirt scraper.
