Karcher Type Paper Vacuum Bags - Suits T11, T7 - Pack of 10

Variant code: 16-T11/10

Kärcher Type Paper Vacuum Dust Bags are high-quality replacement paper dust bags designed for **Kärcher T7 and T11 vacuum cleaners**.
Manufactured to provide efficient dust collection and dependable filtration, these replacement bags help maintain powerful suction while ensuring clean and hygienic disposal of dust and debris. Supplied in a convenient **pack of 10**, they are ideal for routine commercial vacuum maintenance.

Constructed from durable paper filtration material, the bags effectively capture everyday dust, dirt and dry debris while maintaining consistent airflow throughout the vacuum cleaner. Their robust design helps protect the vacuum motor and internal filtration system from excessive dust build-up, supporting reliable cleaning performance and extending the service life of the machine.

Easy to install and replace, these paper vacuum bags minimise maintenance time and help keep compatible Kärcher vacuum cleaners operating at peak efficiency. They provide a practical and cost-effective consumable solution for professional cleaning environments where reliable dust containment and consistent suction are essential.
