Katrin Z-Fold Non-Stop 2 Ply White Hand Towels - Case of 3360 Sheets

Variant code: 01-101153

Katrin Z-Fold Non-Stop 2 Ply White Hand Towels are **high-quality folded paper hand towels** designed to deliver efficient hand drying and reliable hygiene in professional washroom environments. Manufactured by Katrin, these premium 2-ply towels combine softness, absorbency and controlled dispensing, making them ideal for busy washrooms where user satisfaction and operational efficiency are important.

The innovative **Non-Stop Z-fold design** allows towels to be dispensed one sheet at a time, with each towel presenting the next for easy access. This controlled dispensing system helps reduce unnecessary consumption while promoting improved hygiene by minimising contact with unused towels. The 2-ply construction provides enhanced absorbency and strength, ensuring effective hand drying with fewer sheets required per use.

Manufactured from quality tissue paper, the towels offer a comfortable user experience while supporting efficient washroom management. Their folded format enables high-capacity loading in compatible dispensers, helping reduce refill frequency and maintenance requirements in high-traffic facilities.

Supplied in a **case of 3,360 sheets**, Katrin Z-Fold Non-Stop Hand Towels provide a practical and economical hand drying solution for workplaces seeking dependable performance and professional presentation.
