

## Katrin Z-Fold Non-Stop – 2 Ply Hand Towels – White – Case of 2940 Sheets

**Variant code: 01-88690**

**Katrin Z-Fold Non-Stop Paper Towels** are designed to deliver reliable, hygienic hand drying while helping cleaning teams maintain control over consumption and costs. The interleaved Z-fold format dispenses one sheet at a time, reducing waste and ensuring consistent usage across busy washrooms.

Each handy pack contains 140 sheets of strong, 2-ply white paper, providing effective drying performance with every use. The embossed “windmill” pattern enhances absorbency while maintaining a professional appearance, making these towels suitable for a wide range of commercial environments.

Ideal for use in wall-mounted dispensers, these towels support efficient washroom servicing and are fully compatible with all Katrin hand towel dispensers — giving you flexibility to standardise products across multiple sites.

Certified with both the Nordic Swan Ecolabel and EU Ecolabel, these hand towels meet strict environmental, safety and performance standards, helping your business meet sustainability goals without compromising on quality.

### Key features

- Interleaved Z-fold design dispenses one sheet at a time to control usage
- 140 sheets per handy pack for efficient stock management
- 2-ply white paper for strong, reliable hand drying
- Windmill embossing improves absorbency and performance
- Compatible with all Katrin hand towel dispensers
- Approved for short-term food contact (glass and fork symbol)
- Nordic Swan Ecolabel and EU Ecolabel certified
- Helps reduce waste, overuse and maintenance time

### Why choose Z-fold hand towels?

Z-fold hand towels are designed to improve efficiency in busy washrooms. By dispensing single sheets, they reduce unnecessary consumption, helping facilities teams manage costs while maintaining high hygiene standards.
