

KGS Flexis® Diamond Floor Pads 16" – Very Fine 3000 – Green – Box of 2

Variant code: 03-D16G

The red pad is mainly used for heavy duty surface renovation. It is intended for deep cleaning and as a good starting point for the rest of the process. Used for rough, greasy or very dirty surfaces, or as a process starter and occasional use. KGS Flexis pads are designed to be the ultimate in daily cleaning and polishing of virtually any hard floor without chemicals. Made with Ferrzon®+ microcrystal technology, they produce cleaner and shinier floors in less time.
