Lucart Aquastream 100 - Micro Mini Toilet Rolls 100m 2 Ply Embossed - Case of 24

Variant code: 01-812535

Lucart AquaStream 100 Micro Mini Jumbo Toilet Rolls - 2 Ply Embossed are **rapid-dissolving toilet tissue rolls** designed to provide comfort while helping reduce paper-related drainage blockages. Made from **100% virgin cellulose**, the soft, embossed 2-ply tissue is ideal for commercial washrooms and facilities with sensitive drainage systems.

Featuring **AquaStream rapid-dispersion technology**, the toilet paper breaks down quickly on contact with water, helping prevent accumulation in narrow, complex or shallow-gradient pipework. AquaStream range testing has demonstrated an average dispersion time of approximately seven seconds under specified conditions.

Each **100m micro mini jumbo roll** provides extended use, helping reduce dispenser refilling and washroom maintenance. Supplied in a **case of 24 rolls**, providing 2,400 metres of tissue, this practical solution combines user comfort, efficient dispensing and drainage protection.

Product Features

- **Rapid-dissolving tissue** helps reduce paper-related blockages.
- **100% virgin cellulose** construction.
- **Soft, embossed 2-ply** toilet tissue.
- **100m roll length** for extended use.
- **Micro mini jumbo format** for compatible dispensers.
- **AquaStream technology** promotes rapid water dispersion.
- **Case of 24 rolls** for bulk replenishment.

Product Benefits

- **Helps prevent blockages** in sensitive drainage systems.
- **Reduces maintenance disruption** associated with paper build-up.
- **Comfortable 2-ply construction** for everyday use.
- **Longer rolls** reduce replacement

frequency.
- **Suitable for high-use washrooms** and hospitality facilities.
- **Bulk packaging** supports efficient stock management.

Technical Characteristics

- **Product Range:** AquaStream 100
- **Material:** 100% Virgin Cellulose (Pure Pulp)
- **Ply:** 2 Ply
- **Finish:** Embossed
- **Roll Length:** 100m
- **Format:** Micro Mini Jumbo
- **Technology:** Rapid Water Dispersion
- **Dispersion Testing:** AFNOR Q34-020 (Range Level)
- **Case Quantity:** 24 Rolls
- **Total Length:** 2,400m
- **Dispenser:** Compatible Mini Jumbo Dispensers

Applications

Ideal for **hotels, holiday parks, campsites, caravan parks, leisure centres, offices, schools and public washrooms**. Particularly suitable for facilities with **narrow or complex drainage systems**, where rapid paper dispersion helps minimise blockage risks. The **100m embossed 2-ply rolls** offer comfortable, practical washroom hygiene with fewer replacements.

Property	Value
