Lucart Eco Natural 155 ID - Roll Towel - Cardboard Core - Case of 6

Variant code: 01-861170

Lucart Eco Natural 155 ID Roll Towel is a professional hand drying solution designed for commercial washrooms and workplace hygiene environments requiring efficient and sustainable paper products. Manufactured as part of the Lucart Eco Natural range, these roll towels provide reliable drying performance while supporting environmentally responsible washroom management.

Produced using recycled fibre materials, the Eco Natural range is recognised for its distinctive natural colouring and reduced environmental impact. The roll towel format is designed for controlled dispensing and efficient hand drying in busy commercial environments, helping maintain hygiene standards while reducing unnecessary paper consumption.

Each roll features a durable cardboard core for compatibility with suitable roll towel dispenser systems. The bulk case format supports efficient stock management and reduced refill frequency, making these towels suitable for professional facilities requiring dependable and cost-effective washroom solutions.
