

Lucart Eco Natural 155 ID Roll Towel (Cardboard Core) – Case of 6

Variant code: 01-861170

Lucart Eco Natural 155 ID Roll Towel (Cardboard Core) – Case of 6

Embrace sustainability without compromising on performance with the Lucart Eco Natural 155 ID Roll Towel. This case of 6 premium, 2-ply natural paper towels offers an eco-conscious and highly effective hand drying solution for a variety of high-traffic environments, from offices and healthcare facilities to schools, restaurants, and public restrooms.

Crafted with Lucart's innovative Fiberpack® technology, these roll towels are a testament to the circular economy. They are made from 100% recycled cellulose fibres derived from used beverage cartons, giving new life to waste materials and significantly reducing environmental impact. By choosing Lucart Eco Natural, you contribute to reduced landfill waste, lower carbon emissions, and the conservation of vital natural resources.

Each roll boasts an impressive 155 metres of strong, absorbent, and soft 2-ply tissue, providing ample supply and reducing the frequency of refills. The embossed design enhances absorbency and user comfort, ensuring efficient and pleasant hand drying every time.

Key Features & Benefits:

- **Eco-Friendly & Sustainable:** Made from 100% recycled beverage cartons using Lucart's Fiberpack® technology, contributing to a circular economy and reducing your carbon footprint.
- **EU Ecolabel Certified:** Guarantees adherence to stringent environmental standards throughout the product's lifecycle.
- **FSC® Recycled Certified:** Promotes responsible use of forest resources.
- **High Absorbency & Durability:** 2-ply construction and embossed design ensure efficient hand drying and robust performance, even in high-traffic areas.

- **Generous Length:** Each roll offers 155 metres of towel, minimizing the need for frequent replacements and saving maintenance time.
- **Cardboard Core:** Eco-friendly cardboard core for easy disposal and further environmental benefits.
- **Identity System Compatibility:** Designed for use with Lucart Identity Autocut Roll Towel Dispensers, offering touch-free dispensing for enhanced hygiene and controlled consumption.
- **Food Contact Certified:** Suitable for use in environments where contact with dry food is required.
- **Natural Appearance:** The unbleached, undyed natural colour of the paper clearly communicates your commitment to sustainability.
- **Case of 6 Rolls:** Provides a bulk supply for cost-effective and convenient ordering.

Ideal For:

- **Commercial Washrooms:** Offices, hotels, shopping centres, public facilities.
- **Healthcare Environments:** Hospitals, clinics, care homes.
- **Educational Institutions:** Schools, universities.
- **Food Service:** Restaurants, cafes, catering facilities.
- **Industrial Workplaces:** Factories, workshops.
