Lucart Essential Foam Soap - Case of 6 x 1L

Variant code: 10-89113000

Lucart Essential Foam Soap is a **professional foam hand soap** designed to deliver effective hand hygiene, exceptional economy and a pleasant user experience in busy commercial environments. Developed for use with the **Lucart Identity Soap Dispenser System**, this premium foam soap combines a skin-friendly formulation with hygienic sealed cartridge technology, making it ideal for offices, hospitality venues, food service areas and public washrooms.

The mild, **pH-balanced formula** is dermatologically tested and suitable for frequent hand washing, helping maintain skin comfort while effectively removing everyday dirt and contaminants. Its **neutral fragrance** provides a clean and fresh hand washing experience without being overpowering, making it particularly suitable for professional and food preparation environments.

Each **1L cartridge delivers up to 2,500 doses**, significantly reducing refill frequency and maintenance requirements. The controlled foam dispensing system minimises waste, overuse and dripping, helping improve cost efficiency while maintaining high hygiene standards. The sealed cartridge design incorporates an **integrated single-use pump**, ensuring a fresh, uncontaminated dose with every use and reducing the risk of bacterial build-up or dispenser blockages.

Lucart's commitment to sustainability is reflected in the use of **biodegradable ingredients** and **fully recyclable cartridges**, helping organisations support environmental goals while maintaining excellent washroom standards. Supplied in a **case of 6 x 1L cartridges**, Lucart Essential Foam Soap offers a reliable, hygienic and environmentally responsible hand hygiene solution.
