

Mercury Wall Mounted Waste Bin – Black/Brush Metal Effect

Variant code: 28-MWB

Mercury Wall Mounted Waste Bin | Black & Brushed Metal Effect

The **Mercury Wall Mounted Waste Bin**, a sophisticated waste management solution that proves even the most functional items can be design-forward. Combining a bold black chassis with a sleek brushed metal effect, this bin is engineered for those who value **minimalist aesthetics** and **floor-clearing efficiency**.

Whether you're outfitting a high-end commercial washroom, a modern office, or a compact urban kitchen, the Mercury bin offers a "gravity-defying" look that keeps your interiors looking sharp and your floors easy to clean. **Key Features & Benefits**

- **Space-Saving Wall Mount Design:** Say goodbye to cluttered floors. By mounting directly to the wall, you create a seamless look and make mopping or vacuuming a breeze.
- **Industrial Chic Aesthetic:** The contrast between the deep black finish and the **brushed metal effect** creates a premium, contemporary vibe that fits industrial, modern, or professional decors.
- **Durable & Fingerprint Resistant:** Crafted for high-traffic environments, the finish is designed to hide smudges and maintain its luster with minimal maintenance.
- **Hygienic & Ergonomic:** Position the bin at your preferred height to reduce bending and ensure a more ergonomic user experience.
- **Robust Construction:** Built to withstand the rigours of daily use in both residential and commercial settings.

Why This Bin Resonates with Modern Spaces

In the world of **interior design and smart home**

organisation, the trend is moving toward "floating" fixtures. The Mercury Wall Mounted Bin aligns perfectly with the **minimalist lifestyle**, offering a high-capacity solution without the visual bulk of a traditional floor-standing unit. It's not just a trash can; it's a deliberate design choice for a **cleaner, more organised environment**.

Pro Tip: Pair this bin with matte black hardware or stainless steel accents to create a cohesive, professional look throughout your facility.
