NESCAFE Original Instant Coffee Sachets - 200 x 1.8g Sticks

Variant code: 30-18200

NESCAFÉ Original Instant Coffee Sachets provide a quick, convenient and consistently great-tasting coffee solution for busy workplaces, hospitality venues and catering environments. Supplied as **200 individually wrapped 1.8g sticks**, each sachet contains the ideal amount of premium instant coffee to prepare a rich, smooth cup with minimal preparation and no waste.

Made from carefully selected and expertly roasted coffee beans, NESCAFÉ Original delivers the brand's distinctive full-bodied flavour and rich aroma in every cup. The individually sealed sachets preserve freshness while offering excellent hygiene and simple portion control, making them ideal for self-service beverage stations, meeting rooms, hotel hospitality trays and on-the-go refreshments.

Designed for convenience, the single-serve sticks eliminate the need for measuring and help maintain clean beverage stations. Whether used in offices, cafés or catering facilities, this bulk pack of 200 sachets provides a reliable and economical coffee solution for high-volume beverage service.
