Nilfisk Dust Bag for Attix 3/30/40 - Pack of 5

Variant code: 16-302000804

Nilfisk Dust Bags are **high-quality replacement vacuum bags** designed for use with **Nilfisk Attix 3, Attix 30 and Attix 40 vacuum cleaners**. Engineered to provide efficient dust collection and reliable filtration performance, these dust bags help maintain optimum suction power while ensuring hygienic disposal of collected debris.

Manufactured from durable filtration material, the bags effectively capture dust, dirt and fine particles generated during commercial and industrial cleaning applications. Their robust construction helps prevent tearing and leakage, supporting uninterrupted vacuum performance and reducing maintenance requirements.

Regular replacement of dust bags helps maximise airflow, maintain suction efficiency and protect the vacuum's filtration system. Supplied as a convenient **pack of 5**, these replacement bags provide a practical and cost-effective solution for routine maintenance of Nilfisk Attix vacuum cleaners.
