

## Nilfisk Premium 180 Electric Pressure Washer

**Variant code: 16-128471148**

Take your cleaning to new heights with this top-of-the-range Nilfisk Premium 180 is a high-performance washer, with a forceful 180 bar maximum pressure. The machine is built to last with a durable induction motor and aluminium cylinder heads.

The machine covers up to 60m<sup>2</sup> an hour, and the 10-metre superflex hose, long lance and telescopic handle ensure you clean all those hard-to-reach places, meaning horse trailers, boats and swimming pools will be cleaned no time.

Features:

- 180 bar max pressure
- Metal pump with induction motor and alloy cylinder head
- Cleans surfaces up to 60 m<sup>2</sup>/ hour
- Excellent mobility on all types of surfaces with in-built trolley and large wheels
- 10m superflex high-pressure hose
- Integrated accessory storage and easy storage of electric cable
- In-built detergent dosage function and regulation
- Long lance and telescopic handle
- X-TRA model includes trolley and hose reel
