North Shore 616 - Toilet Roll - EcoSoft - 2 Ply - White - Case of 36

Variant code: 01-616

North Shore 616 EcoSoft Toilet Rolls are environmentally responsible **2 ply toilet tissue rolls** designed to provide reliable washroom performance in commercial and public environments. Developed for compatibility with **North Shore and Bay West toilet tissue dispensers**, these rolls combine dependable everyday use with sustainable material construction.

Manufactured from **100% recycled paper**, the toilet tissue supports environmentally conscious washroom management without compromising on comfort or hygiene. The **2 ply construction** provides a balance of softness, absorbency and durability for reliable everyday performance across busy washroom facilities. Formerly known as **Baywest Ecosoft 616**, these rolls continue to offer the same dependable quality and dispenser compatibility trusted in commercial environments.

Certified with the **Ecoflower accreditation**, North Shore toilet tissue products are recognised as officially green washroom solutions, making them suitable for organisations seeking to support sustainable procurement and environmental responsibility.
