Numatic 440NX 36V Li-Ion Scrubber Dryer - with 1 Battery, Charger & 2 Brushes

Variant code: 16-440NX/1

Numatic 440NX Cordless Scrubber Dryer is a professional battery-powered floor cleaning machine designed to deliver fast, effective and highly efficient cleaning of hard floor surfaces. Powered by Numatic's advanced NX300 36V lithium-ion battery technology, the 440NX combines exceptional cleaning performance, cordless freedom and outstanding manoeuvrability, making it ideal for commercial and public environments where productivity, safety and cleaning standards are paramount.

Agile, lightweight and easy to operate, the 440NX glides effortlessly across hard floors, navigating around obstacles, furniture and congested areas with ease. Its intuitive controls and compact design provide operators with excellent handling, allowing for controlled and efficient cleaning in busy environments. The cordless operation eliminates trailing cables, reducing trip hazards and enabling unrestricted movement throughout the cleaning area.

Delivering professional scrub-and-dry performance in a single pass, the 440NX leaves floors clean, dry and safe for immediate use. Compared to traditional mopping methods, it can reduce labour costs by up to 70% and water consumption by up to 80%, helping organisations improve cleaning efficiency while lowering operating costs. The NX300 battery platform provides reliable runtime and quick charging capability, ensuring maximum productivity throughout the working day.

Supplied complete with one NX300 lithium-ion battery, charger and two brushes, the Numatic 440NX is ready for immediate deployment. Built to Numatic's renowned professional standards, it offers dependable performance, durability and ease of use for a wide range of commercial floor cleaning applications.

Product Features

- **Professional cordless scrubber dryer**
- Powered by NX300 36V lithium-ion
