Numatic Padloc Drive Board for 440NX - Pack of 2

Variant code: 16-911844

Numatic PadLoc Drive Boards are **genuine floor pad holders** designed specifically for the **Numatic 440NX Scrubber Dryer**. Engineered to securely hold floor maintenance pads during cleaning operations, these durable drive boards ensure maximum pad contact, efficient cleaning performance and consistent results across a wide range of hard floor surfaces.

Featuring Numatic's innovative **PadLoc retention system**, the drive boards provide fast, secure and reliable pad attachment without the need for additional fixing devices. This helps reduce setup time while ensuring pads remain securely in place throughout demanding cleaning tasks.

Designed for professional floor maintenance applications, the PadLoc Drive Boards are suitable for use with a variety of cleaning, scrubbing, polishing and maintenance pads. Their robust construction ensures long service life in commercial environments while helping maximise the performance of the 440NX Scrubber Dryer.

Supplied as a **pack of 2**, these genuine Numatic drive boards provide a complete replacement set, ensuring balanced operation and optimum floor cleaning performance.
