Numatic Quick - Battery Powered Stick Vacuum with 2 Batteries

Variant code: 16-QUICK

Numatic Quick is a **battery powered stick vacuum cleaner** designed to deliver fast, convenient and efficient cleaning across a wide range of commercial and domestic environments. Combining Numatic's renowned reliability with cordless freedom, the Quick provides powerful everyday cleaning performance while remaining lightweight, portable and easy to manoeuvre. Ideal for daytime cleaning, spot cleaning and routine maintenance, it offers the flexibility needed for modern cleaning operations.

Powered by a detachable **25.2V lithium-ion battery system**, the Numatic Quick comes complete with **two batteries and a charger**, providing up to two hours of runtime when both batteries are used. The innovative pod-based collection system compacts dust efficiently, delivering a larger capacity than many comparable stick vacuums while ensuring hygienic, dust-free disposal when emptying.

The powered brush head provides effective cleaning across carpets and hard floors, while the included **Crevice Tool** and **2-in-1 Combi Tool** allow users to tackle corners, edges, upholstery, furniture and high-level cleaning tasks with ease. Lightweight construction and cordless operation make the Quick particularly suitable for environments where manoeuvrability, speed and user comfort are important.

Designed for professional cleaners, facilities managers and homeowners alike, the Numatic Quick provides a practical solution for maintaining clean floors without the restrictions of trailing cables.

Product Features

- Battery powered cordless stick vacuum cleaner
- Supplied with **2 detachable lithium-ion batteries and charger**
- Powered brush head for effective floor cleaning
- Innovative pod system with hygienic dust-
