

Numatic TT1840G Mains Powered Scrubber Drier Complete with Brush

Variant code: 16-TT1840G

With its exceptionally compact 400mm scrub width design and 18L tank capacity, the TT1840G scrubber drier from Numatic equals that of bigger machines but has the benefit to allow for easy, effective and efficient cleaning in tight, hard to reach spaces.

When it comes to quick and simple floor maintenance there are many smaller and often congested applications than bigger areas... Whether you're in a shop, cafeteria, showroom, office or bank, this is really cleaning the way it should be... you will never look back!

The style and proportion of the polyform water tanks allow for the machine to adopt a convenient tilt position for single handed brush or pad changing.

Features:

- Compact & Convenient – Performance of a bigger machine, in a smaller, more convenient package.
- Clean, Dry & Safe Floors in Minutes – Consistent, quick and high-quality cleaning results, wherever they're needed.
- Optimise Productivity Everywhere – Compact and unobtrusive design for small and congested areas.
- User Friendly Controls – Incorporating user friendly, colour-coded controls and soft-touch dash.
- Support at your Fingertips, Straight from your Mobile – Access a wide range of help and support through the Nu-Assist App.
