

P-Wave Curve Air Freshener Holder – Pack of 30

Variant code: 05-105233W

Keep Your Spaces Fresh and Inviting with the P-Wave Curve Air Freshener Holder (Pack of 30)

Ensure consistent and effective air freshening in any environment with the **P-Wave Curve Air Freshener Holder**. This bulk pack of **30 durable and discreet holders** provides a practical and economical solution for distributing your favourite P-Wave Curve air fresheners. Ideal for **commercial spaces, restrooms, offices, schools, healthcare facilities, and even homes**, these holders offer a simple yet effective way to maintain a **pleasant and odour-free atmosphere**.

Crafted from **high-quality, long-lasting plastic**, the P-Wave Curve Holder is designed for **easy installation** and secure placement of P-Wave Curve air freshener refills. Their **sleek and low-profile design** ensures they blend seamlessly into any décor without being obtrusive. The **curved shape** is specifically engineered to optimise air flow, allowing for maximum fragrance dispersal and consistent freshness.

Key Features and Benefits:

- **Bulk Pack of 30:** Provides an **economical and cost-effective** solution for multiple locations or long-term use.
- **Specifically Designed for P-Wave Curve Refills:** Ensures a **perfect and secure fit**, preventing slippage and maximising fragrance release.
- **Durable and Long-Lasting:** Made from **robust, high-quality plastic** for extended use in various environments.
- **Discreet and Low-Profile Design:** Blends seamlessly into any setting without being visually distracting.
- **Optimised Airflow:** The **innovative curved design** promotes **maximum fragrance dispersal** for consistent freshness.
- **Easy to Install:** Simple mounting process with adhesive pads or screw slots (mounting hardware not included).
- **Versatile Application:** Suitable for **restrooms, offices, schools, hospitals, care homes, hotels, restaurants, gyms,**

and more.

- **Maintains a Fresh Scent:** Effectively holds and disperses fragrance to **eliminate odours** and create a welcoming environment.
- **Hygienic Solution:** Keeps air freshener refills securely in place, promoting a cleaner and more organised space.
- **Reliable Air Freshener System:** A crucial component for a **consistent and effective air care strategy**.

Invest in the P-Wave Curve Air Freshener Holder (Pack of 30) today and ensure your spaces are consistently fresh, inviting, and odour-free!
