

P-Wave Curve Air Freshener – Pack of 10 – Mango

Variant code: 05-105235M

Breathe in the Tropical Delight with P-Wave Curve Mango Air Freshener (Pack of 10)

Transform any space into a refreshing oasis with the **long-lasting** and **powerful** P-Wave Curve Air Freshener in the invigorating scent of **juicy mango**. This convenient **pack of 10** air fresheners offers a **cost-effective** and **simple solution** to keep your restrooms, offices, gyms, and other areas smelling **fresh, clean**, and inviting for up to 30 days each.

Engineered with a unique, **curved design**, the P-Wave Curve maximises air flow, ensuring **optimal fragrance dispersal** and a consistently pleasant environment. Say goodbye to unwanted odours and hello to the sweet and tropical aroma of ripe mango, creating a welcoming atmosphere for everyone.

Key Features & Benefits:

- **Long-Lasting Fragrance:** Each air freshener provides continuous fragrance release for up to 30 days, offering **extended freshness**.
- **Invigorating Mango Scent:** Enjoy the uplifting and naturally sweet aroma of **real mango**, banishing unpleasant smells effectively.
- **Optimised Airflow Design:** The innovative **curved shape** enhances fragrance distribution, ensuring the entire space is infused with the delightful scent.
- **Cost-Effective Pack:** This **bulk pack of 10** offers excellent value for money, ideal for stocking up in commercial or residential settings.
- **Easy to Use:** Simply remove the air freshener from its packaging and place it in your desired location for **instant freshness**. No batteries or sprays required!
- **Versatile Application:** Perfect for use in **restrooms, bathrooms, offices, schools, healthcare facilities, gyms, hotels**, and any area needing a **reliable odour control** solution.
- **Non-Aerosol:** An **environmentally**

friendly alternative to aerosol sprays, providing continuous fragrance without harmful propellants.

- **Discreet and Stylish:** The **compact** and **modern design** blends seamlessly into any décor.
- **Effective Odour Eliminator:** Neutralises and eliminates unpleasant smells at the source, leaving behind a **fresh and clean scent**.
- **Ideal for High Traffic Areas:** The **powerful fragrance** effectively combats odours even in busy environments.

Experience the difference a high-quality air freshener can make. Add the P-Wave Curve Mango Air Freshener (Pack of 10) to your cart today and enjoy a consistently fresh and inviting atmosphere!
