This convenient **pack of 12 refill covers** offers a simple, effective, and long-lasting solution for maintaining a pleasant and inviting atmosphere in your home, office, restroom, or any area where odour control is essential.

Experience the light and airy essence of **Cotton Blossom**, a subtly sweet and comforting fragrance that evokes the feeling of freshly laundered linens. This **popular scent** is both refreshing and non-overpowering, making it ideal for a wide range of environments.

Key Features & Benefits:

- **Long-Lasting Freshness:** Each refill cover is infused with a high-quality fragrance oil, providing consistent and continuous **odour control** for up to 30 days. Say goodbye to unwanted smells and hello to lasting **freshness**.
- **Effortless Application:** Designed for the **P-Wave Easy Fresh dispenser**, these refill covers are incredibly easy to install. Simply snap the new cover onto the dispenser for immediate fragrance release. No messy liquids or complicated setup required.
- **Cost-Effective Solution:** This **pack of 12** offers exceptional value, ensuring you have a continuous supply of **air freshener refills** to keep your spaces smelling wonderful for an extended period. A **budget-friendly** way to maintain a fresh environment.
- **Eliminates Odours:** Unlike some air fresheners that merely mask odours, the P-Wave Easy Fresh system actively **neutralises unpleasant smells** at their source, leaving behind a genuinely clean

and fragrant environment.

- **Versatile Use:** Perfect for a variety of locations including **bathrooms, restrooms, offices, kitchens, hallways, lobbies, schools, healthcare facilities, and retail spaces**. Anywhere you need reliable **odour elimination** and a touch of pleasant scent.
- **Convenient Pack Size:** The **bulk pack of 12** ensures you are always prepared and reduces the frequency of reordering, saving you time and effort.
- **High-Quality Fragrance:** The **Cotton Blossom fragrance** is carefully formulated to be both appealing and long-lasting, providing a consistent and enjoyable sensory experience.
- **Reliable Performance:** Trust in the P-Wave brand for **reliable air freshening solutions**. These refill covers are designed for optimal performance within the Easy Fresh dispenser system.
- **Simple and Discreet:** The design of the refill cover is unobtrusive, blending seamlessly with the Easy Fresh dispenser for a discreet air freshening solution.

Ideal for:

- Homes seeking continuous **home fragrance** and **odour control**.
- Businesses needing effective **commercial air fresheners** for **restroom odour control** and general **space freshening**.
- Facilities managers looking for **low-maintenance** and **long-lasting air care solutions**.
- Anyone who appreciates the clean and comforting scent of **fresh cotton**.
