P-Wave Easy Fresh Air Freshener Refill Cover - Pack of 12 - Mango

Variant code: 05-105240M

P-Wave Easy Fresh Air Freshener Fragrance Cover is a **long-lasting scented replacement cover** designed for use with the P-Wave Easy Fresh fan dispenser. Featuring a vibrant **Mango fragrance**, it delivers a sweet, fruity and tropical aroma that helps create a fresh and welcoming atmosphere. Ideal for washrooms, offices, reception areas and other shared indoor spaces, the fragrance cover provides a convenient solution for maintaining pleasant surroundings for staff, customers and visitors.

Featuring advanced **dry fragrance technology**, the cover works with the dispenser's **light-activated fan system** to distribute fragrance throughout the room. Each cover provides **up to 30 days of fragrance**, with coverage of up to **25m²** when used with the compatible fan unit. The fan automatically adjusts its operation as the fragrance cover ages, helping maintain consistent fragrance delivery throughout the replacement cycle. Made from **recyclable EVA material containing up to 15% recycled content**, the non-liquid cover provides an alternative to aerosol air fresheners without propellants, solvents or messy liquid residues.

Designed for **quick installation and straightforward replacement**, the fragrance cover fits directly onto the compatible P-Wave Easy Fresh fan dispenser. Simply remove the used cover and attach a fresh Mango cover to restore fragrance delivery. The dispenser features **visual and audible replacement notifications** to support scheduled maintenance, while its discreet design allows installation on walls or ceilings. Supplied in a **pack of 12 Mango fragrance covers**, this convenient multipack is ideal for maintaining consistent air freshening across multiple locations or regular replacement cycles.

Product Features

- **Tropical Mango fragrance** delivers a sweet, fruity and refreshing scent
- **Long-lasting fragrance** provides up to 30 days of freshness per cover
