P-Wave Eco Air Freshener Cabinet - White

Variant code: 05-105239W

P-Wave Eco Air Freshener Cabinet is a **discreet, wall-mounted air freshener dispenser** designed to house compatible P-Wave Eco Air fragrance refills. Featuring a clean **white finish** and compact design, it provides a practical and professional air care solution for washrooms, offices, schools, healthcare facilities and other shared indoor environments.

The cabinet features an **open-air design** that maximises exposure to surrounding airflow, allowing compatible refills to release fragrance naturally and continuously. The **passive fragrance system** operates without batteries, electricity, aerosols or propellants, offering a convenient alternative to powered air freshener dispensers. Compatible P-Wave Eco Air refills use **dry fragrance technology**, helping avoid liquid spills, leaks and sticky residues.

Designed for **easy installation and straightforward refill replacement**, the cabinet can be positioned in a suitable location with good airflow, such as near a doorway. Compatible Eco Air refills are available in **Mango, Spiced Apple, Fabulous (Lavender), Cotton Blossom and Citrus**, providing up to **30 days of fragrance with coverage of up to 16m²**, depending on environmental conditions. The white cabinet provides a reusable housing for ongoing fragrance replacement, with **air freshener refills sold separately**.

Product Features

- **Passive air freshener cabinet** designed for P-Wave Eco Air fragrance refills
- **White finish** provides a clean and professional appearance
- **Compact, discreet design** blends into commercial and domestic interiors
- **Open-air construction** maximises exposure to surrounding airflow
- **Continuous fragrance dispersal** when fitted with a compatible refill
- **Battery-free operation** requires no electrical power
- **Non-aerosol fragrance system** avoids pressurised sprays
