

## P-Wave NHS Trough Urinal Screen – Pack of 6 – Mango

Variant code: 05-105258M

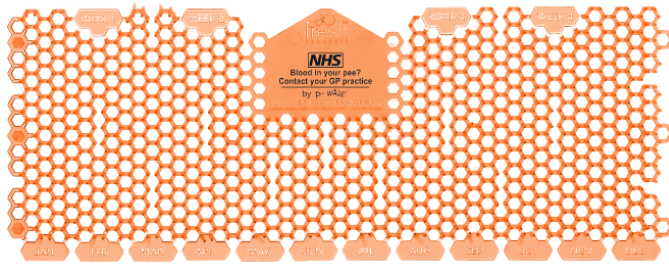

### Keep Your Washrooms Fresh and Hygienic with P-Wave NHS Trough Urinal Screens (Mango Scent) – Pack of 6

Ensure a clean, fresh-smelling, and hygienic washroom environment with the **P-Wave NHS Trough Urinal Screen** in a vibrant **Mango** fragrance. This convenient **pack of 6 urinal screens** is specifically designed for **trough urinals**, offering an effective solution to combat odours, reduce splashing, and maintain optimal hygiene in high-traffic restroom facilities.

These **premium urinal screens** are engineered with a unique design that effectively traps debris and prevents blockages in your drainage system, saving you time and costly maintenance. The invigorating **mango scent** continuously releases a pleasant aroma, neutralising unpleasant urine odours at their source and creating a more welcoming atmosphere for users.

#### Key Features and Benefits:

- **Specifically Designed for Trough Urinals:** Perfectly shaped to fit most standard trough urinal sizes, ensuring maximum coverage and effectiveness.
- **Powerful Odour Control:** Infused with a long-lasting **mango fragrance** that effectively eliminates foul odours and leaves a fresh, fruity scent.
- **Splash Prevention:** The innovative design minimises urine splashback, keeping the surrounding area cleaner and reducing the need for frequent cleaning.
- **Debris Trapping:** Helps to catch hair, chewing gum, and other debris, preventing them from entering and clogging drains.
- **Long-Lasting Performance:** Each screen provides weeks of continuous odour control and hygiene benefits, making this **6-pack** a cost-effective solution.
- **Durable and Flexible Material:** Constructed from high-quality, flexible material that conforms to the shape of the urinal trough and withstands regular use.

- **NHS Approved Quality:** These **urinal screens** meet the high standards expected for use in NHS facilities, guaranteeing reliability and performance.
- **Easy to Install and Replace:** Simply place the screen in the urinal trough for immediate effect. Replacement is quick and hassle-free.
- **Vibrant Mango Colour:** The bright colour adds a touch of freshness to your washroom while also indicating the scent.
- **Cost-Effective Pack:** This **pack of six urinal screens** offers excellent value for money, ensuring you have an ample supply for ongoing maintenance.

**Ideal for:**

- **Hospitals and Healthcare Facilities (NHS)**
- Schools and Universities
- Public Restrooms
- Restaurants and Cafes
- Hotels and Hospitality Venues
- Offices and Commercial Buildings
- Sports and Leisure Centres

Upgrade your washroom maintenance with the reliable and refreshing **P-Wave NHS Trough Urinal Screen – Pack of 6 – Mango**. Order yours today and experience a noticeably cleaner and more pleasant restroom environment!
