Pacvac Clear Offset Lid (New Style) - For Velo Vacuum Cleaner

Variant code: 16-LID005

Pacvac Clear Replacement Lid is a **genuine replacement vacuum lid** designed specifically for the **new-style Pacvac Velo backpack vacuum cleaner**. Manufactured to Pacvac's exact specifications, this clear offset lid provides a secure fit while helping maintain the performance, safety and functionality of your vacuum cleaner.

Constructed from durable transparent material, the lid allows operators to visually inspect the dust collection area without disassembly, making routine maintenance checks quicker and more convenient. Its robust design ensures reliable daily use in demanding commercial cleaning environments while protecting the vacuum's internal filtration and dust containment system.

The replacement lid is easy to install and designed as a direct replacement for damaged, worn or misplaced lids. By maintaining a secure seal, it helps preserve airflow efficiency and vacuum performance, ensuring effective dust collection during operation.

As a genuine Pacvac approved spare part, the Clear Replacement Lid provides perfect compatibility and dependable performance for Velo vacuum cleaners fitted with the updated filtration and lid design.
