Pacvac Velo Disposable Paper Dust Bag (Open Top Bag) 2.5L - Pack of 10

Variant code: 16-DUB034

Pacvac Velo Disposable Paper Dust Bags are **genuine 2.5-litre open-top replacement dust bags** designed specifically for the **second-generation Pacvac Velo cordless vacuum cleaner** released from August 2022 onwards. Engineered to provide an additional level of filtration, these disposable bags help improve dust retention, support cleaner indoor air quality and enable hygienic dust disposal after use.

Designed to work alongside the reusable dust bag system, these paper dust bags capture fine dust and debris before disposal, helping to reduce airborne particles and maintain optimum vacuum performance. Their disposable construction allows for quick, clean and hassle-free replacement, minimising operator contact with collected dirt and dust.

As a genuine Pacvac approved spare part, these bags are manufactured for precise fitment and reliable performance. They are simple to install and remove, making routine vacuum maintenance fast and efficient in commercial and domestic cleaning environments.

Supplied in a convenient **pack of 10**, these replacement bags provide an economical solution for maintaining filtration performance and ensuring the continued efficiency of compatible Pacvac Velo vacuum cleaners.
