

Pacvac Velo Disposable Paper Dust Bag (Open Top Bag) 2.5L – Pack of 10

Variant code: 16-DUB034

Designed to provide an additional level of filtration for better dust retention and easy disposal, leaving rooms with cleaner air.

Paper dust bags must be used in conjunction with a reusable dust bag.

- Pacvac approved, genuine spare part.
- Easy to remove and replace.
- Disposable.
- Pack of 10.

This dust bag is designed for the second release of Velo (on August 5, 2022) as it includes an upgraded filtration system. This dust bag does not fit the first release Velo machine.
