

Prochem CR2 Multi-Surface Cleaning Machine

Variant code: 16-RC2700

Hard surface, carpet & upholstery cleaning machine

The CR2 multi-surface cleaning machine combines a pressure washer with a powerful vacuum system for Touch-Free cleaning that effectively deep cleans floors, tiled walls, surfaces and restrooms facilities.

Where traditional methods of cleaning like mopping are ineffective, the CR2 breaks loose dirt and grime from porous surfaces and hard to reach areas so it can be effectively removed with the squeegee and vacuum system.

The CR2 comes equipped with a powerful 500 psi pump with built-in auto chemical feed system for cleaning and pressure washing, a 3-stage vacuum system for quick and effective water and soil recovery, and a built-in hose and wand caddy system to easily transport the machine and all the necessary tools to the job site.

For complete versatility, the optional Heat n Run system can be used to boost cleaning performance and the optional carpet and upholstery cleaning accessories can be utilised with the CR2 to make the machine a true multi-surface restoration system.

Features:

- Complete Touch-Free cleaning system
- Includes hoses, floor squeegee wand, pressure gun, quick drier tool and gulper tool
- Built-in auto chemical feed system for accurate metering
- 500 psi piston pump
- 3-stage vacuum
- Optional clip-on heating system
- Optional accessories for carpet and upholstery cleaning
- Free training voucher with this machine.
