Raphael Jumbo - Toilet Roll 1 Ply - 400m - Case of 12

Variant code: 01-JT1400R

Raphael Jumbo Toilet Roll is a high-capacity **1 ply toilet tissue solution** designed for busy commercial washrooms where efficiency, reliability and cost control are essential. Developed for use with jumbo toilet roll dispensers, these extra-long rolls help minimise maintenance requirements while ensuring continuous tissue availability in high-traffic environments.

Each roll provides an impressive **400 metres of 1 ply toilet tissue**, significantly reducing refill frequency and helping lower operational servicing demands. The jumbo format is specifically suited to commercial and public washrooms where high usage levels require dependable and economical hygiene solutions. The 1 ply construction offers a practical balance of performance and cost-efficiency for everyday washroom use.

Supplied in a bulk case of 12 rolls, this product supports efficient stock management while reducing the need for frequent deliveries and replacements. Designed for reliable performance in demanding environments, these rolls provide a straightforward and economical washroom solution for professional facilities.
