Raphael Jumbo - Toilet Roll 2 Ply Recycled - 310m - Case of 12

Variant code: 01-JT2310R

Raphael Jumbo Toilet Roll is a high-capacity **2 ply recycled toilet tissue solution** designed for busy commercial washrooms where efficiency, reliability and sustainability are important. Developed for use with jumbo toilet roll dispensers, these extra-long rolls help reduce maintenance requirements while providing dependable everyday washroom performance.

Each roll delivers an impressive **310 metres of 2 ply recycled paper tissue**, significantly reducing refill frequency and helping improve operational efficiency in high-traffic environments. Manufactured from recycled paper, the rolls provide a more sustainable washroom solution while maintaining a reliable balance of softness and strength for user comfort.

The jumbo roll format is specifically designed for hygienic and efficient dispensing in commercial washroom systems. Combined with the bulk case supply, these rolls offer a practical and cost-effective solution for organisations seeking to reduce servicing time, lower operational costs and support environmental responsibility.
