

Raphael Twin Jumbo Dispenser – Smoke

Variant code: 28-TJSMORA

The **Raphael Twin Jumbo Toilet Tissue Dispenser** is a high-capacity washroom dispensing solution designed for busy commercial environments. Featuring Northwood's innovative **Infinity Paper System**, the dispenser allows only one roll to be used at a time, reducing paper waste while ensuring a continuous supply of toilet tissue. Finished with a modern **translucent Smoke cover**, it provides quick visual stock checks without opening the dispenser, helping to minimise maintenance time and replenishment visits.

Manufactured from durable **ABS plastic**, the dispenser incorporates a **BioKleen™ treated handle** to help inhibit bacterial growth on high-touch surfaces. With a maximum capacity of **800 metres of toilet tissue** (2 x 400m rolls), it is ideal for high-traffic washrooms where reliability and hygiene are essential. The lockable design uses the same key as other Raphael dispensers for simplified maintenance, while the translucent cover allows at-a-glance replenishment checks.

Suitable for offices, schools, healthcare facilities, hospitality venues and public washrooms, the Raphael Twin Jumbo Dispenser combines hygiene, efficiency and durability to provide a dependable toilet tissue dispensing solution for demanding environments.

Product Features

- Twin Jumbo toilet tissue dispenser
- Modern translucent Smoke finish
- Infinity Paper System allows one roll to be used at a time
- High capacity holding up to 800 metres of toilet tissue
- BioKleen™ treated handle helps inhibit bacterial growth
- Durable ABS plastic construction
- Lockable dispenser with common Raphael key system
- Simple and fast paper replenishment
- Compatible with 2 x 400m 1-ply or 2 x 310m 2-ply Twin Jumbo rolls

Product Benefits

- **High-capacity design reduces replenishment frequency in busy washrooms**
- **Infinity Paper System minimises waste by dispensing one roll at a time**
- **BioKleen™ treated handle promotes improved washroom hygiene**
- Translucent cover enables quick visual stock checks without opening the dispenser
- Lockable design helps prevent theft and unauthorised access
- Durable ABS construction provides long-lasting commercial performance
- Easy to operate and maintain
- Ideal for high-footfall commercial washroom environments
