

Rapid Response One – Caution Wet Floor Cone Trolley

Variant code: 15-157

Rapid Response One Highly visible, tall mobile safety cone, complete with lockable door and internal shelves, durable fold away flat mop holders, top handle and braked castor to prevent movement once locked.

Light and easy to transport, gets to the point of the spillage fast. Add your choice of tools, allowing the cone to function as a small trolley. An ideal solution for spill management.

Includes trolley and tool holder brackets – mop and other cleaning items sold separately.

Will work with any flat mop system.
