Rubbermaid Tilt Truck 0.8m3 Standard Duty Waste Truck

Variant code: 14-FG9T1500

Capable of carrying a maximum load capacity of 570kg, Rubbermaid's 0.8m³ Standard Duty Tilt Truck facilitates the easy transportation and emptying of waste, building materials or supplies, and has been designed to fit through most commercial doorways and onto elevators. Its durable, industrial strength structural foam construction enables it to withstand heavy impacts meaning the truck can be emptied by a single user without fear of causing damage. An ergonomic moulded handle, situated at the rear of the truck, provides comfortable handling with enhanced manoeuvrability when full or empty, while the non-marking casters reduce the need for unnecessary touch-up cleaning to floors

Features and Benefits

- Durable, industrial strength structural foam construction can withstand large impacts to allow for a single user to empty heavy loads
- Non-marking casters (2 x swivel; 2 x fixed) protect flooring during transit and help reduce the need for touch-up cleaning
- Ergonomic moulded handle provides comfortable grip and helps ensure that the truck is easy to manoeuvre, even when fully loaded
- Designed to fit through most commercial doorways and onto elevators for easy transport of loads
- Smooth, rounded surfaces facilitate easy cleaning and maintenance
- Handle on base of truck provides additional grip to assist with the tipping process
- Capable of carrying a maximum load capacity of 570kg or 800 litres
- Unibody design offers a more discreet appearance when being used in public areas
- Frameless structure assists with USDA Meat and Poultry Equipment Compliance
