SC Johnson Deb Refresh™ Azure Foam Wash - 1.2L - Case of 3

Variant code: 10-AZU12LTF

SC Johnson Deb Refresh™ Azure FOAM Wash is a premium biodegradable foam hand wash designed to provide effective everyday hand cleansing while caring for sensitive skin. Lightly fragranced with a refreshing Crisp Fruit scent and enriched with moisturisers, this professional foam soap removes over 99% of dirt and germs while leaving hands feeling smooth, clean and refreshed.

Ideal for washrooms and high-traffic environments, this dermatologically tested foam hand wash is suitable for offices, schools, nurseries, healthcare facilities, public washrooms and aged care environments. The mild low pH formula helps support the skin's natural protective barrier while glycerin moisturisers help prevent dryness associated with frequent hand washing. Certified by the European Centre for Allergy Research Foundation (ECARF), the formula is suitable for sensitive skin and everyday professional use.

The luxurious silky foam dispenses instantly for quick and convenient hand washing while using significantly less product and water compared to traditional lotion soaps. Its readily biodegradable formula and EU Ecolabel certification support environmentally responsible washroom management without compromising hygiene or user experience.
