

Scott Auto Foam Hand Cleaner 1.2L – Case of 4

Variant code: 10-6345

Scott Control Frequent Use Foam Hand Cleanser is a gentle foaming hand wash developed for **frequent hand washing** in professional and workplace environments. The formulation is **free from colour and fragrance** and contains moisturising and hydrating ingredients, making it suitable for washrooms where users need to clean their hands regularly throughout the day.

Each **1.2L refill cassette** is hygienically sealed and incorporates its own pump, providing a **fresh, clean nozzle whenever the refill is replaced**. The foam formulation lathers and rinses quickly compared with conventional liquid commercial hand wash, helping support efficient hand washing while reducing unnecessary water use.

Designed for compatible **Kimberly-Clark electronic and ICON touchless dispensing systems**, the cassette uses a simple **push-and-click installation** for straightforward replacement. Once empty, the cassette can be compressed to reduce waste volume and is recyclable after removal of the pump. Supplied as a **case of 4 x 1.2L cassettes**, the pack provides a total of **4.8 litres** of hand cleanser.
