Scott Essential Roll Towel Large - 1 Ply White Hand Towel Roll - 380m

Variant code: 01-6638

Scott Essential Roll Towel Large is a high-capacity **1-ply white hand towel roll** designed to deliver reliable hand drying performance in busy commercial washrooms. Offering excellent value and long-lasting operation, these large 380-metre rolls help reduce maintenance requirements while maintaining a hygienic and professional washroom environment.

Manufactured for use in high-traffic facilities, Scott Essential Roll Towels provide dependable absorbency and efficient drying performance. The extended roll length significantly reduces refill frequency, helping improve productivity for cleaning and facilities management teams. The white paper finish delivers a clean, professional appearance, while the controlled dispensing system helps minimise waste and optimise consumption.

Supplied in a convenient **case of 6 rolls**, these large-capacity hand towel rolls are ideal for organisations looking to reduce operating costs without compromising hygiene standards. Designed for compatibility with suitable roll towel dispensers, they provide a practical solution for busy washroom environments.

Product Features
