

Super Cloths – Eco Recycled Cloth – 40x38cm – Pack of 10

Variant code: 12-SO619291

Super Cloths Eco Recycled Cleaning Cloths are durable, reusable cleaning cloths manufactured from **recycled viscose and recycled PET**, offering an environmentally conscious solution for everyday cleaning tasks. Measuring **40 x 38cm**, these versatile cloths are suitable for both **dry dusting** and **wet wiping**, making them ideal for commercial, industrial and domestic cleaning environments.

Constructed from long-lasting, high tensile viscose fibres, Super Cloths provide excellent durability and can be washed and reused multiple times, helping to reduce waste and lower replacement costs. Their generous size offers excellent surface coverage, making routine cleaning quicker and more efficient.

Supplied in a convenient **pack of 10**, these eco-friendly cloths deliver reliable cleaning performance while supporting more sustainable cleaning practices.

Product Features

- Reusable and washable cleaning cloths
- Made from recycled viscose and recycled PET
- High tensile viscose construction for long-lasting durability
- Suitable for dry dusting and wet wiping
- Generous 40 x 38cm cloth size
