Tampax Compak Pearl Regular Tampons - Pack of 18

Variant code: 25-100

Tampax Compak Pearl Regular Tampons provide **reliable period protection with comfort and discretion**, making them an ideal choice for everyday feminine hygiene needs. Designed with Tampax's trusted protection technology, these tampons feature a compact applicator for easy portability while delivering dependable absorbency for light to medium flow days.

The smooth, compact plastic applicator includes an anti-slip grip for comfortable and controlled insertion. Once in place, the tampon gently expands to adapt to the body's shape, helping provide secure protection and confidence throughout the day.

Featuring Tampax Pearl's advanced protective design, these tampons help reduce the risk of leaks while maintaining comfort during everyday activities. Their discreet compact size makes them easy to carry in handbags, pockets or washroom facilities, ensuring convenient protection whenever needed.

Supplied in a **pack of 18**, Tampax Compak Pearl Regular Tampons offer a practical and hygienic solution for workplaces, washrooms, educational facilities, hospitality venues and personal use.
