Tork S2 Moisturising Hand Lotion Cream - Case of 8 x 475ml

Variant code: 10-420202

Tork S2 Moisturising Hand Lotion Cream is a premium skincare solution designed to provide **intensive hydration, nourishment and protection** for hands in professional environments. Developed for frequent use, this dermatologically tested lotion helps maintain healthy skin by combating dryness and supporting the skin's natural moisture barrier.

Formulated with a rich blend of **emollients and moisturising ingredients**, the lotion delivers long-lasting hydration while helping soothe dry and irritated skin. Its **quick-absorbing, non-greasy formula** allows users to return to tasks immediately without sticky residue, making it ideal for busy workplaces and hygiene-critical environments.

The lotion is supplied in hygienically sealed cartridges compatible with **Tork S2 dispensing systems**, helping reduce contamination risks while ensuring efficient and controlled dispensing. The sealed refill design also supports hygienic washroom maintenance and simplified servicing in high-traffic facilities.

Suitable for healthcare, offices, schools, hospitality and commercial washrooms, the product is supplied as a **case of 8 x 475ml cartridges**, providing an economical and dependable solution for environments where regular hand care is essential.
