Tork Xpress - Soft Multifold Hand Towel H2 - 2 Ply - Case of 3,780

Variant code: 01-130289

Tork Xpress Soft Multifold Hand Towels H2 are premium-quality **2 ply multifold hand towels** designed to deliver superior hygiene, comfort and efficiency in professional washroom environments. Engineered for high-traffic facilities, these soft and highly absorbent towels provide an enhanced hand drying experience while helping reduce consumption and operational costs.

The advanced **multifold design** supports smooth one-at-a-time dispensing when used with compatible **Tork Xpress H2 dispensers**, helping minimise waste and improve hygiene by reducing contact with unused towels. The **2 ply construction** provides excellent softness and absorbency for fast and effective hand drying, while the high-capacity **case of 3,780 towels** reduces refill frequency and supports efficient washroom maintenance. Designed with sustainability in mind, these towels are suitable for businesses seeking a professional and environmentally conscious washroom solution.

Product Features

- **2 ply multifold hand towels** for Tork H2 systems
- **Soft and highly absorbent** for effective hand drying
- **One-at-a-time dispensing** helps reduce waste
