Designed for high-traffic environments, these premium hand towels deliver exceptional absorbency, unparalleled softness, and a commitment to sustainability, ensuring a superior hand drying experience for every user.

#### Key Features & Benefits:

- **Premium 2-Ply Softness:** Crafted with two layers of high-quality tissue, these **luxurious hand towels** offer a noticeably softer feel, enhancing user comfort and satisfaction. The gentle touch makes them ideal for all skin types, contributing to a **premium washroom experience**.
- **Rapid Absorbency for Efficient Drying:** Engineered for **superior absorption**, Tork Xpress Multifold Towels quickly and effectively dry hands, reducing consumption and minimising waste. This **fast-drying performance** promotes better hygiene and reduces the risk of germ spread.
- **Optimised Multifold Design:** The **innovative multifold design** ensures a smooth, one-at-a-time dispensing, preventing clumping and overuse. This **controlled dispensing** mechanism significantly **reduces towel consumption** and operational costs, making them a

**cost-effective washroom solution.**

- **High Capacity, Reduced Refills:** With a generous **case of 3,780 towels**, you'll experience fewer refill interruptions, saving valuable staff time and ensuring consistent availability. This **high-capacity hand towel solution** is perfect for **busy commercial washrooms**, offices, restaurants, healthcare facilities, and educational institutions.
- **Sustainable & Eco-Friendly Choice:** Tork is committed to environmental responsibility. These hand towels are a **sustainable washroom product**, often featuring certifications like FSC® or EU Ecolabel (check specific product certifications), signifying responsible forest management and reduced environmental impact. Choose a **green washroom solution** without compromising on quality.
- **Compatible with Tork Xpress Dispensers:** Seamlessly integrate with Tork Xpress Multifold Hand Towel Dispensers for an efficient, hygienic, and professional presentation. This **system compatibility** ensures optimal performance and a sleek aesthetic in your washroom.
- **Hygienic and Touch-Free Dispensing:** When used with a compatible Tork Xpress dispenser, the **one-at-a-time dispensing** minimises contact with unused towels, promoting **enhanced hygiene** and reducing cross-contamination. This makes them an **ideal sanitary hand towel option**.
- **Versatile Application:** Perfect for a wide range of settings including **office buildings, hotels, restaurants, healthcare clinics, schools, and public restrooms**, these towels offer a reliable and high-quality hand drying solution for any establishment.
- **Bulk Buy Value & Savings:** Purchasing a **case of 3,780** offers significant **bulk savings**, making it an **economical choice**

for businesses looking to manage their operational budget effectively. Get **wholesale hand towels** at a competitive price.
