Truvox Scrubbing Brush for Orbital Machine

Variant code: 16-9560020

Truvox Orbital 1500 Scrubbing Brush is a **professional hard floor scrubbing brush** designed specifically for use with the **Truvox Orbital 1500 Heavy Duty Floor Machine**. Engineered to provide powerful cleaning performance, this genuine Truvox accessory delivers effective agitation for removing dirt, grime and surface contamination from a wide range of hard floor surfaces.

Designed to maximise the cleaning capabilities of the Orbital 1500, the brush works in conjunction with the machine's orbital motion to provide consistent contact with the floor surface. This enhanced scrubbing action helps loosen stubborn dirt and embedded soiling while maintaining excellent cleaning efficiency across large floor areas.

Manufactured from durable, professional-grade materials, the brush is built to withstand demanding commercial cleaning applications and frequent use. Its robust construction ensures long service life and reliable performance in challenging environments where deep cleaning and floor preparation are required.

As a genuine Truvox accessory, the Scrubbing Brush offers seamless compatibility with the **Truvox Orbital 1500 Heavy Duty Floor Machine (16-OB451500)**, helping operators achieve outstanding floor cleaning results while maintaining machine performance.
