Truvox Multiwash Pro Trolley - For Multiwash Pro Models

Variant code: 16-0547810000

Truvox Multiwash Pro Trolley is a **purpose-built transport trolley** designed specifically for the **Truvox Multiwash Pro range of scrubber dryers**. Engineered to improve machine mobility and operator convenience, this robust accessory allows Multiwash Pro machines to be transported safely and efficiently between cleaning locations.

Designed for professional cleaning environments, the trolley provides a stable and secure platform for moving Multiwash Pro machines around buildings, reducing the effort required when transporting equipment between work areas. This helps improve operational efficiency while minimising strain on operators during daily cleaning routines.

Constructed from durable materials to withstand regular commercial use, the trolley offers reliable support and long-lasting performance in demanding environments. Its practical design helps protect the machine during transportation while making storage and manoeuvrability easier.

As a genuine Truvox accessory, the Multiwash Pro Trolley is fully compatible with Multiwash Pro models, making it an ideal addition for cleaning contractors, facilities management teams and commercial cleaning professionals seeking improved equipment handling and mobility.

Product Features

- **Transport trolley for Truvox Multiwash Pro machines**
- Designed specifically for Multiwash Pro models
- Provides stable and secure machine transportation
- Durable commercial-grade construction
- Improves manoeuvrability and handling
- Genuine Truvox accessory

Product Benefits

- **Makes transporting Multiwash Pro machines easier**
- **Reduces operator effort during equipment movement**
