

Unger Pad Holder 20cm

Variant code: 13-PHH20

The **Unger Aluminium Swivel Pad Holder – 20cm** is a professional cleaning accessory designed for use with compatible **indoor cleaning pads**. Featuring a durable **aluminium swivel head**, it provides a practical platform for attaching different cleaning pads according to the task.

The holder features a **hook-and-loop backing** that allows compatible pads to be securely attached and changed as required. Its integrated **swivel function** helps the holder reach and clean **difficult-to-access areas**, providing greater flexibility during indoor cleaning.

Designed to fit securely onto **UNGER poles with thread**, the 20cm pad holder can be combined with compatible poles for extended-reach applications. UNGER lists compatible pad options including **white scrub**, **microfibre polish**, **microfibre wash** and **microfibre cleaning pads**.

Product Features

- **20cm professional pad holder** for indoor cleaning applications
- Features an **aluminium swivel head**
- **Hook-and-loop backing** for attaching compatible cleaning pads
- Integrated **swivel function**
- Designed to access **hard-to-reach areas**
- Fits securely onto **UNGER poles with thread**
- Compatible with selected **scrub and microfibre cleaning pads**
- Suitable for use as part of an **extended-reach cleaning system**

Product Benefits

- **Swivel-head design** improves access when cleaning **difficult-to-reach areas**
- **Hook-and-loop backing** provides straightforward attachment of compatible cleaning pads
- **Compatibility with threaded UNGER poles** enables extended-reach indoor cleaning
- Allows different compatible pads to be

selected for **scrubbing, washing, cleaning or polishing**

- Provides a practical **20cm cleaning platform** for professional indoor cleaning tasks
- Aluminium head provides a suitable construction for **professional cleaning applications**

Technical Characteristics

- **Product Type:** Cleaning Pad Holder
- **Size:** 20cm
- **Head Material:** Aluminium
- **Head Type:** Swivel
- **Pad Attachment:** Hook-and-Loop Backing
- **Pole Compatibility:** UNGER Poles with Thread
- **Compatible Pads:** White Scrub Pad, Microfibre Polish Pad, Microfibre Wash Pad & Microfibre Cleaning Pad
- **Application:** Indoor Cleaning

Applications

The **Unger Aluminium Swivel Pad Holder – 20cm** is designed for professional **indoor cleaning applications** using compatible UNGER cleaning pads. Its **swivel head** helps provide access to difficult-to-reach areas, while compatibility with **threaded UNGER poles** allows it to be incorporated into extended-reach cleaning setups. Different compatible pads can be attached using the **hook-and-loop backing** according to the required cleaning task.
