

Vacuum Air Freshener Discs Summer Meadow – Pack of 6

Variant code: 16-MVP92

Vacuum Air Freshener Discs in **Summer Meadow** fragrance provide a simple and effective way to keep your home or workplace smelling fresh while vacuuming. Designed for use with compatible vacuum cleaners, these fragranced discs release a pleasant floral aroma as air passes through the machine, helping to neutralise unpleasant odours from dust, pet hair and everyday debris.

Easy to fit and long-lasting, each disc gradually releases its refreshing Summer Meadow scent throughout the cleaning process, leaving rooms with a clean and inviting fragrance. Ideal for regular vacuum maintenance, the discs help eliminate stale vacuum odours and enhance the overall cleaning experience.

Supplied as a convenient **pack of 6**, these vacuum freshener discs are suitable for routine use in domestic and commercial environments, providing consistent freshness with every vacuuming session.
