

P-Wave Eco Air Solid Air Freshener Refill - Pack of 6 -Mango

Variant code: 05-105238M

Breathe Easy with Long-Lasting Mango Freshness: P-Wave Eco Air Solid Air Freshener Refills (6-Pack)

Infuse your spaces with the uplifting and invigorating scent of ripe mango with the P-Wave Eco Air Solid Air Freshener Refill. This convenient pack of 6 refills offers a continuous and reliable solution for maintaining a fresh and welcoming atmosphere in any environment.

Designed for use with P-Wave's innovative Eco Air dispenser, these solid air freshener refills utilise a unique, non-liquid formula that is both eco-friendly and highly effective. Say goodbye to messy sprays and spills – the solid core provides a consistent release of fragrance over an extended period, ensuring your space always smells its best.

Key Features & Benefits:

- Long-Lasting Fragrance: Each refill provides up to 60 days of continuous mango scent, offering exceptional value and minimising the need for frequent replacements.
- Delicious Mango Scent: Enjoy the vibrant and tropical aroma of fresh mango, creating a bright, cheerful, and inviting ambiance. Perfect for eliminating unwanted odours and leaving a pleasant fragrance.
- Eco-Friendly Formula: The non-liquid, solid refill is VOC exempt and utilises recyclable materials, making it a sustainable air freshening choice.
 Contribute to a greener environment without compromising on freshness.
- Convenient 6-Pack: Stock up and save with this cost-effective pack of six refills. Ideal for use in multiple dispensers or for ensuring you always have a replacement on hand.
- Universal Compatibility: Specifically designed for the P-Wave Eco Air dispenser, ensuring a perfect fit and optimal performance.

- Effective Odour Control: Neutralises and eliminates unpleasant odours at their source, leaving behind a pure and refreshing mango fragrance.
- Ideal for Various Environments: Perfect for use in restrooms, offices, lobbies, schools, healthcare facilities, hospitality settings, and any space where a consistent and pleasant scent is desired.
- Easy to Use: Simply insert the refill into your P-Wave Eco Air dispenser for hassle-free and continuous fragrance release.

Elevate the atmosphere of your space with the delightful and long-lasting mango fragrance of the P-Wave Eco Air Solid Air Freshener Refill (6-Pack). Choose a reliable, eco-conscious, and effective solution for continuous freshness.
