Windmill Everyday Washing Up Liquid Detergent - 5L

Variant code: 04-180

Windmill Everyday Washing Up Liquid Detergent is a concentrated washing-up liquid formulated to quickly remove grease, food residues and everyday kitchen soiling from crockery, cutlery, cookware and utensils. Supplied in a **5-litre container**, it produces a rich, long-lasting foam that delivers excellent cleaning performance while remaining gentle on hands when used as directed. Ideal for commercial kitchens, catering establishments and workplace environments, it offers outstanding value for high-volume manual dishwashing.

Its fast-acting formulation cuts through grease with ease, leaving dishes, glasses and kitchen equipment clean, fresh and streak-free. Suitable for use in hot or warm water, the detergent rinses away easily without leaving unwanted residue, helping to speed up washing and drying while maintaining a high standard of kitchen hygiene.

Designed for everyday professional use, Windmill Everyday Washing Up Liquid Detergent is suitable for a wide variety of manual cleaning tasks beyond washing dishes, making it a versatile cleaning solution for kitchens, catering facilities and food preparation areas.
