Windmill Gum and Graffiti Remover - For Hard Surfaces - 750ml

Variant code: 06-650

Windmill Gum and Graffiti Remover is a hard surface cleaner designed to deliver **fast and effective removal of stubborn marks, gum and graffiti** from a wide range of surfaces. As part of the Windmill professional cleaning range, it provides a versatile and environmentally responsible solution for restoring surfaces in commercial and public environments.

This **eco-friendly, non-hazardous formulation** works quickly to lift and disperse tough residues, helping to remove chewing gum, scuffs and graffiti in as little as 3 minutes. It is effective against a variety of marks including **tyre marks, pram and shoe scuffs**, as well as inks, felt tips, marker pens and spray paints. The product restores surfaces efficiently, improving appearance without the need for harsh chemicals.

Designed for safe and practical use, it can be applied in **confined and enclosed areas**, making it suitable for a wide range of cleaning situations. The formulation supports sustainable cleaning practices, being **100% biodegradable, not tested on animals and made using renewable technology**, with packaging produced from **100% PCR material**.
