Pacvac Paper Vacuum Bags - For Superpro - Pack of 10

Variant code: 16-DUB019

Pacvac Paper Vacuum Bags are **genuine 5-litre disposable dust bags** designed specifically for **Pacvac Superpro battery-powered and mains-powered backpack vacuum cleaners**. Engineered to provide efficient dust collection and hygienic disposal, these replacement bags help maintain optimum vacuum performance while ensuring a cleaner and more professional cleaning operation.

Manufactured from high-quality filtration paper, the bags effectively capture dust, dirt and debris during vacuuming, helping to maintain airflow and suction efficiency throughout use. Their disposable design allows for quick and mess-free replacement, reducing operator contact with collected waste and improving hygiene standards.

With a generous **5-litre capacity**, these bags are ideal for commercial cleaning applications where extended cleaning periods are required. Designed for seamless compatibility with both Superpro battery and corded backpack models, they fit securely within the vacuum system and work alongside the machine's filtration components to maximise cleaning performance.

Supplied in a convenient **pack of 10**, these genuine Pacvac dust bags provide a reliable and cost-effective solution for routine vacuum maintenance and professional cleaning operations.
