Pacvac - 32mm Aluminium Telescopic Wand 920mm - For Velo

Variant code: 16-WND007

Pacvac Aluminium Telescopic Wand is a **lightweight and durable vacuum extension wand** designed specifically for use with the **Pacvac Velo vacuum cleaner**. Manufactured from high-quality aluminium, this genuine Pacvac accessory provides excellent strength while remaining lightweight, helping operators clean comfortably and efficiently for extended periods.

Featuring a telescopic design, the wand can be adjusted to suit different cleaning tasks and user preferences, improving ergonomics and reducing strain during operation. The adjustable length also allows easier access to hard-to-reach areas such as ceilings, corners, vents, stairways and beneath furniture.

With a standard **32mm connection**, the telescopic wand is compatible with Pacvac Velo floor tools and accessories, ensuring reliable airflow and efficient cleaning performance. The aluminium construction offers excellent durability for demanding commercial environments while remaining easy to handle and manoeuvre.

As a genuine Pacvac approved spare part, the Aluminium Telescopic Wand delivers dependable compatibility, professional performance and long-lasting reliability for everyday cleaning applications.
